

PLOW IN A WHOLE NEW LIGHT.

Compact 100% LED system

Wider, farther, fuller light pattern

Fully sealed, weatherproof housing

BACKS YOU UP

Daylight-quality brightness keeps your eyes fresh

Tough, durable LED bulbs feature life expectancy of up to 8-10 years

BOSS signature, premium look and are 40% smaller than current SmartLight 2 lights

Ultra-efficient LED uses half the amperage of halogen systems

Utilizes same proven BOSS light mounting

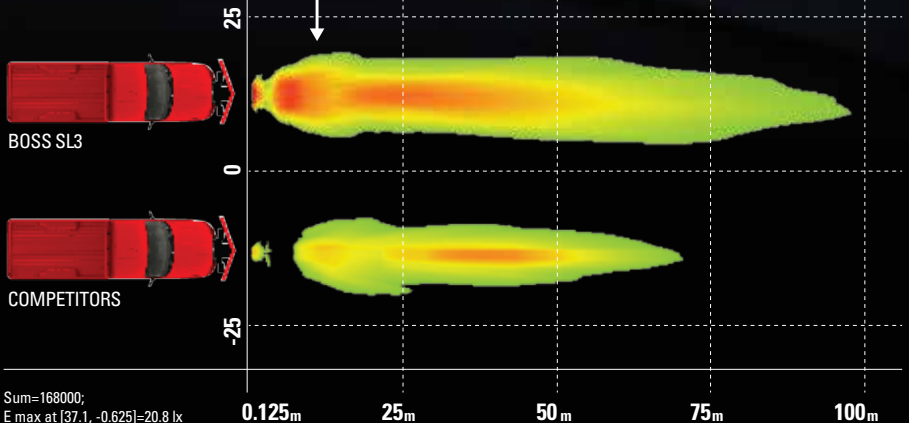

Retrofits most BOSS plows using the SmartLight 2 headlight system

INTRODUCING A REVOLUTIONARY SNOWPLOW LIGHTING SYSTEM.

At BOSS, we know what snow and ice professionals have to go through to get the job done. That's why we work hard to give them the innovations they need to be productive, efficient and safe.*

Introducing the BOSS SL3 snowplow lighting system, designed specifically to handle whatever Mother Nature throws your way.

The most intense areas of output are colored on the yellow to orange scale.
